

Lion king - Opening

https://www.youtube.com/watch?v=Zn_qirpdBag

Class plan:

The students will test their knowledge of common and less common animals by watching the opening to *Lion King*.

Procedure:

- Open the class by asking the students about their favorite and if they can tell you any interesting facts about it.
- Ask the students how many more animals they know.
- Get them to think about Africa and how many animals they know that live there.
- Get them to write a list of all the animals they know.
- Tell them that they are going to watch the opening to *Lion King*. Whilst doing so, they need to cross out any animals from their list that also appear in the opening.

Here is a list of all the animals that appear:

Lion	Zebra
Giraffe	Monkey (baboon)
Antelope	Meerkat
Cheetah	Birds (various)
Elephant	Flamingo
Ants	Wildebeest
Buffalo	

Extra activity:

- Get them to draw their favorite one that they saw.
- Here's a 'how to' video on how to draw Simba from *Lion King*:
